Only copies of the original survey with an original land surveyor's embossed seal shall be considered to be valid copies. Signature and embossed seal signify that this certification was prepared in accordance with the existing code of practice adopted by the NJ State Board of Professional Engineers and Land Surveyors. Certifications indicated hereon shall run only to the person for whom the certification is prepared, and on his behalf to the title company, governmental agency and lending institution listed hereon. Certifications are not transferable to additional institutions or subsequent owners. Unauthorized alteration or addition to a certification bearing a licensed land surveyor's seal is illegal and punishable by law. Property subject to documents of record.
