Date: December 9, 2020

Re: PLN-21-00001 – Elizabeth Realty Partners – 507.14/61 & 62

The Health Department witnessed passing permeability tests for proposed lot 61.01 but has not approved a design for the proposed septic system.

The current septic system on lot 61 will need to be abandoned according to NJDEP regulations.

The location of all components for the current septic system that is to remain on proposed lot 62.01 need to be shown on the site plan.
