Without limiting the generality of the foregoing, the Township reserves the right to award a contract based on either option that may be described in the bid proposal or based on any combination thereof.
- C. The Township reserves the right to award equal or tie bids at their discretion to any one of the tie bidders.

7. **NEW JERSEY PREVAILING WAGE ACT (When Applicable)**

Pursuant to N.J.S.A. 34:11-56.25 et seq., contractors on projects for public work shall adhere to all requirements of the New Jersey Prevailing Wage Act. The contractor shall be required to submit a certified payroll record to the owner within ten (10) days of the payment of the wages. The contractor is also responsible for obtaining and submitting all subcontractors' certified payroll records within the aforementioned time period. The contractor shall submit said certified payrolls in the form set forth in N.J.A.C. 12:60-6.1(c). It is the contractor's responsibility to obtain any additional copies of the certified payroll form to be submitted by contacting the New Jersey Department of Labor and Workforce Development, Division of Workplace Standards. 8. **THE PUBLIC WORKS CONTRACTOR REGISTRATION ACT**

N.J.S.A. 34 :11-56.48 et seq. requires that a general or prime contractor and any listed subcontractors named in the contractor's bid proposal shall possess a certificate at the time the bid proposal is submitted. After bid proposals are received and prior to award of contract, the successful contractor shall submit a copy of the contractor's certification along with those of all listed subcontractors. All non-listed subcontractors and lower tier sub-subcontractors shall be registered prior to starting work on the project. It is the general contractor's responsibility that all non-listed sub-contractors at any tier have their certificate prior to starting work on the job.

Under the law a "contractor" is "a person, partnership, association, joint stock company, trust, corporation or other legal business entity or successor thereof who enters into a contract" which is subject to the provisions of the New Jersey Prevailing Wage Act (N.J.S.A. 34 :11-56.25, et seq.) It applies to contractors based in New Jersey or in another state.

The law defines "public works projects" as contracts for "public work" as defined in the Prevailing Wage statute (N.J.S.A. 34 :11-56.25(5)). The term means:

- "Construction, reconstruction, demolition, alteration, or repair work, or maintenance work, including painting and decorating, done under contract and paid for in whole or in part out of the funds of a public body, except work performed under a rehabilitation program.
- "Public work" shall also mean construction, reconstruction, demolition, alteration, or repair work, done on any property or premises, whether or not the work is paid for from public funds... "
- "Maintenance work" means the repair of existing facilities when the size, type or extent of such facilities is not thereby changed or increased. While "maintenance" includes painting and decorating and is covered under the law, it does not include work such as routine landscape maintenance or janitorial services.

To register, a contractor must provide the State Department of Labor with a full and accurately completed application form. The form is available online at http://lwd.dol.state.nj.us/labor/wagehour/regperm/pw_cont_reg.html. N.J.S.A. 34:11-56.55 specifically prohibits accepting applications for registration as a substitute for a certificate or registration.

In this event, the new owner(s) will be required to submit, when required, a performance bond in the amount of the open balance of the contract. Any transfer of contracts must be submitted in writing and approved by Franklin Township.

15. INSURANCE AND INDEMNIFICATION

If it becomes necessary for the contractor, either as principal or by agent or employee, to enter upon the premises or property of the owner in order to construct, erect, inspect, make delivery or remove property hereunder, the contractor hereby covenants and agrees to take use, provide and make all proper, necessary and sufficient precautions, safeguards, and protection against the occurrence of happenings of any accident, injuries, damages, or hurt to person or property during the course of the work herein covered and be his/her sole responsibility.

The contractor further covenants and agrees to indemnify and save harmless the owner from the payment of all sums of money or any other consideration(s) by reason of any, or all, such accidents, injuries, damages, or hurt that may happen or occur upon or about such work and all fines, penalties and loss incurred for or by reason of the violation of any owner regulation, ordinance or the laws of the State, or the United States while said work is in progress.

There are enhanced penalties for areas of false claims, bid rigging and bribery, gratuities and gifts; and conflict of interest. Please consult the statute for further information.

25. N.J. BUSINESS REGISTRATION CERTIFICATE P.L. 2009, C.315

Reforms Business Registration Certificate Filing; permits filing prior to award of contracts if not filed with bid. Effective with bids received and contracts awarded after January 18, 2010, this law removes the requirement of the Local Public Contracts Law (N.J.S.A. 40A:11-23.2) that required a bid to be rejected if the respondent failed to include a BRC with their bid, even though it may have been the lowest responsible bid. The law now allows the BRC to be filed any time prior to award of the contract and the bidder had to obtain the BRC prior to receipt of bids. This permits the BRC to be required with a bid, or submitted subsequently. If a BRC is required in a bid, but not submitted with the bid, it would be an immaterial defect; curable by being filed prior to award of the contract. A BRC is obtained from the New Jersey Division of Revenue. Information on obtaining a BRC is available on the internet at www.nj.gov/njbgs or by phone at (609) 292-1730.

26. "PAY TO PLAY" – NOTICE OF DISCLOSURE REQUIREMENT – P.L. 2005, Chapter 271, Section 3 Reporting (N.J.S.A. 19:44A – 20.27)

1. Any business entity that has received \$50,000 or more in contracts from government entities in a calendar year is required to file an annual disclosure report with ELEC. The instructions and form are available on the ELEC website.
2. Annual Disclosures require submission by March 30th of each year covering contracts and contributions for the prior calendar year.
3. At a minimum, a list of all business entities that file an annual disclosure report will be listed on ELEC's website at www.elec.state.nj.us.
4. If you have any questions please contact ELEC at: 1-888-313-ELEC (3532) (toll free in NJ) or 609-292-8700

27. NON-ALLOCATION OF FUNDING TERMINATION

Each fiscal year payment obligation of the Owner is conditioned upon the availability of Owner funds appropriated or allocated for the payment of such an obligation. If funds are not allocated and available for the continuance of any services performed by the Contractor hereunder, whether in whole or in part, the Owner at the end of any particular fiscal year may terminate such services. The Owner will notify the Contractor in writing immediately of any services that will be affected by a shortage of appropriated funds. This provision shall not be construed so as to permit the Owner to terminate this Agreement during the term, or any service hereunder, merely in order to acquire identical services from a third party contractor.

28. FORCE MAJEURE

Neither party shall be responsible for any resulting loss or obligation to fulfill duties as specified in any of the terms or provisions of this Agreement if the fulfillment of any term or provision of this Agreement is delayed or prevented by any revolutions, insurrections, riots, wars, acts of enemies, national emergencies, strikes, floods, fires, acts of God, or by any cause not within the control of the party whose performance is interfered with which by the exercise of reasonable diligence such party is unable to prevent. Additionally, if the fulfillment of any of the terms and provisions of this Agreement is delayed or prevented by any court order, or action or injunction or other such agreement, this Agreement shall become voidable by the Township of Franklin by notice to each party.

29. The Township and the Contractor each bind themselves and their successors, executors, administrators, heirs and assigns and legal representatives of the other party respecting all covenants and agreements and obligations of this contract.
30. The terms of this Agreement shall be construed and interpreted, and all respective rights and duties of the parties shall be governed by the laws of the State of New Jersey.
31. **NON-PAYMENT OF PENALTIES AND INTEREST ON OVERDUE BILLS**
Public funds may be used to pay only for goods delivered or services rendered. Franklin Township will not pay penalties and/or interest on overdue bills. SCOPE OF WORK/SPECIFICATIONS

INTENT

The Township of Franklin is seeking bids for township property cleanup services on an as-needed basis. These properties are identified throughout the year as health and safety hazards when the property owners ignore the warnings, notifications and citations issued by the Township.

GENERAL REQUIREMENTS

The size of the jobs may vary and may include botanical cleanup and/or garbage and debris cleanup.

1. Botanical cleanup includes:
 - A. Grass cutting and removal of clippings (grass is ten inches or higher)
 - B. Brush and weeds, tree limbs and brush removal and disposal
 - C. Removal and disposal of poison ivy
2. Debris cleanup includes:
 - A. Removal and disposal of debris left around the house including everything from garbage bags, furniture, bags of debris, and bricks
 - B. Removal and disposal of housing materials that are hanging or detached, such as eaves, gutters and doors

DETAIL REQUIREMENTS

1. The Township will send a work order to the vendor describing the location and work to be completed. There are times when there is additional work to be done (such as garbage to be picked up and the purchase order only states grass cutting). This is due to legal issues, and vendor needs to do only the work that is described in the purchase order.
2. Vendor must return the initial call from the Township within 48-hours to set a date for cleanup.
3. Vendor must complete the work outlined in the purchase order within ten (10) days of the receipt.
4. Any variation from the work listed in the purchase order or extension beyond the ten (10) days must be first approved by the Township.
5. Vendor's access to the property is limited to the locations where the work needs to be completed. If anyone chases the vendor from the property, it must be reported to the Township immediately.
6. The vendor must supply all labor, materials and equipment required to complete the cleanup. The Township will not pay any additional equipment costs.
7. The vendor must comply with N.J.A.C. 7:26 and all other applicable licenses and regulations as required by the State of New Jersey.
8. If there is a roll-off container to be used on the site, it must be licensed by the DEP.
9. Vendors removing the garbage/debris in their own trucks must have a DEP license.
10. All vehicles used by the vendor/subcontractor must be licensed as required by the State of New Jersey and be able to provide proof of licensure upon request.
11. Vendor, and any subcontractor, must supply proof of legal hauling of solid waste in the County of Somerset and proof that the debris is being taken to a licensed recycling/solid waste facility.

12. Recycling of materials should be done whenever possible.
13. Once the work is complete, the vendor should call the Township representative to let them know the work is done and ready for inspection.
14. The vendor must provide certified vouchers noting the time of the cleanup. The Township will pay for the time the vendor/subcontractors are actually on site, not for the time coming to and from the site or to and from the recycling solid waste facility, nor for any hauling/dumping fees.
15. Prior to beginning a job, the vendor will be called to look at the job to determine the total number of person hours it will take to complete the job.

Award of Contract

1. Award will be based on the hourly rate in addition to the cost of a full ten (10)-cubic yard container. The hourly rate means the rate per hour including labor and equipment. The cost of the container will be all costs associated with the use of and disposal of a full ten (10)-cubic yard container. The bidder should include with the bid a fee schedule for other size containers that may be used for cleanup jobs.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
