

Subdivision Application Form

TOWNSHIP OF FRANKLIN,
SOMERSET COUNTY, NJ

- 1) The applicant may request a pre-application meeting prior to submission. This is provided as a courtesy to potential applicants so they receive input and is in no way to be considered as the start of the submission process. If you decide to schedule a pre-application meeting, please contact the Township Planning Director (contact information: <https://www.franklintwpnj.org/government/departments/planning-zoning>).
- 2) Submission shall be made with the forms supplied by the Township. The information required by the applicable checklist shall be supplied with the submission. The Director of Planning or his/her designee shall determine which Board has jurisdiction over the development and what approvals are required.
- 3) The applicant shall pay fees in accordance with §112-327 of the Land Development Ordinance and §112-213.B as applicable and shall pay an initial escrow deposit in accordance with §112-213.A of the Land Development Ordinance as applicable. Deposits and fees shall be made by check made out to “Franklin Township”. In case of proposals requiring a combination of approvals, such as subdivision and variance(s), the applicant shall pay an amount equal to the sum of the fees required. In the case of a submission requiring application fee(s) and an escrow deposit, one separate check shall be provided for the required escrow deposit and another check shall be provided equal to the sum of the required fees.
- 4) All information contained in the Subdivision Submission Checklist is required. Where the applicant believes a submittal item is not applicable or requests a waiver for submittal of an item, a letter providing justification for non-submittal of the item(s) shall be provided.
- 5) The submission will be reviewed by the Director of Planning or his/her designee to determine whether the submission constitutes an Application for Development (i.e., contains all of the information required on the applicable forms and checklists along with applicable fees and/or escrow deposit). During this review the Director of Planning or his/her designee shall determine whether each of the submittal items has been provided, and/or whether any of the items are not applicable, or whether a waiver may be granted with respect to any submittal items. These determinations by the Director of Planning or his/her designee pertain solely to the determination of whether the submission constitutes an Application for Development and shall in no way prevent the Board from requiring the information during the course of the hearing. If any submittal items are found to be missing, the applicant shall be notified in writing within 45 days of submission.
- 6) Once the application is deemed to constitute an Application for Development (i.e., contains all of the information required on applicable application forms and checklists along with applicable fees and/or escrow deposit) and is classified as a major subdivision or a minor subdivision with variance(s), the application will be scheduled for a public hearing. The applicant will be advised in writing of the date scheduled for a public hearing on the application.
- 7) If the Director of Planning or his/her designee determines that the proposed undertaking is a minor subdivision with no variances or other relief requested and that is not accompanied by another application (e.g., site plan application), then the application shall be reviewed for approval by the Minor Subdivision Committee of the Planning Board. The Minor Subdivision Committee, upon classification of an application as a minor subdivision, may waive subdivision review requirements when the impact of the proposed subdivision on the community, surrounding neighborhood and site will be minimal. No public notice shall be required.
- 8) Subdivision applications proceeding before the Planning Board or Zoning Board of Adjustment require a Public Hearing and must give a Public Notice of said hearing in accordance with the requirements of the Municipal Land Use Law and §112-315 of the Franklin Township Land Use Ordinance. Notification must be

completed at least 10 days prior to the scheduled hearing. Information and dates will be supplied to the applicant at the appropriate time for advertising and noticing.

A public hearing will be conducted on the scheduled date. The hearing may be continued to another meeting date if necessary.

On the evening of the public hearing meeting, the applicant, owner, contract purchaser or person having a real interest in the property, agent or attorney (corporations must be represented by an attorney), shall appear before the Board to submit or present proof in support of the application.

- 9) As part of the hearing procedure, the applicant must present testimony in support of the subdivision application. The Board will then make the determination whether to approve, approve with conditions or deny the application.
- 10) During the course of the hearing, the Board may require such additional information and/or analyses deemed necessary by the Board to render an informed and reasonable decision.
- 11) The Board shall render a decision on the application within the timeframe mandated by the Municipal Land Use Law unless an extension for such decision has been provided on behalf of the applicant.
- 12) At a subsequent meeting, the action taken will be reduced to writing and presented to the Board for adoption in the form of a resolution. The date of adoption of the resolution is the official date of approval of the application.
- 13) Upon adoption of the resolution by the Board, a copy of the resolution will be forwarded to the applicant within 10 days after adoption. The applicant must proceed to comply with all conditions of approval prior to the issuance of a permit or the commencement of any site clearing unless otherwise specified. Upon compliance with all conditions of approval, the site plans will be signed by the Secretary of the Planning Board/Zoning Board of Adjustment and distributed to the applicant and appropriate township agencies.
- 14) The Final Subdivision Plat shall be submitted to the Board for the final approval within three years from the date of preliminary approval, except as otherwise provided in N.J.S.A. 40:55D-49d. A landowner who wishes to subdivide property must comply with all applicable requirements for design, dedication improvement and restrictive use of land. Final approval of a major subdivision expires in 95 days from the date of signing of the plat unless within such period the plat shall have been duly filed by the developer with the county recording officer. The Planning Board may, for good cause shown, extend the period for recording for an additional period not to exceed 190 days from the date of signing of the plat.
- 15) Before recording a final subdivision plat, the applicant shall have installed the improvements required under Article XXIV, §112-194 et seq., of the Land Development Ordinance.

ATTENTION: Applicants represented by engineers and/or architects (or other such professionals) are expected to use the video display systems available in Council Chambers to project hearing exhibits.
