

**Executive Session Minutes of Meeting
September 15, 2014**

Mr. Healey summarized the discussions that were held with Leewood regarding possible changes to their redevelopment plan. The proposed changes included 24 less housing units, allowing Mr. Abozid to develop his property (100ft deep of the property) and having a lesser percentage of affordable units.

Mr. Healey advised the Agency that discussions would be ongoing, he would continue to update the Agency and that a meeting with Abozid's attorney would be scheduled.

Mr. Mettler made a motion to close the Executive Session. The motion was seconded by Mr. Sanders and approved upon a unanimous roll call vote.
