# Destination Discovery

Learn something amazing this summer with Destination Discovery theme camps at Elizabeth Avenue School. Looking for a full day camp? Add the Elizabeth Avenue AM/PM Half Day option to your child's Destination Discovery camp to make it a FULL Day Camp! Before/AfterCare also available. Birth certificate required. Transportation is not provided.

<b>CSI: Radical Reactions and Detective Science</b>	<b>June 29 - July 2</b>	<b>Ages 7-12</b>	<b>9:30 AM-12:30 PM</b>	<b>\$105*</b>
			<b>1:30 - 4:30 PM</b>	

Become a science sleuth as you investigate how chemistry provides evidence at the scene of a crime. During this hands-on detective work, campers will gather and test "crime scene" clues, make & analyze their own fingerprints, make Rainbow Stompers and much more! Presented by Mad Science. **Camp does not meet on July 3, 2015.**

<b>MAD MACHINES &amp; JUNIOR ENGINEERS</b>	<b>July 6 - July 10</b>	<b>Ages 7-12</b>	<b>9:30 AM-12:30 PM</b>	<b>\$125*</b>
			<b>1:30 - 4:30 PM</b>	

Build or destroy? This camp has lots of both! Junior Engineers will **design and build bridges, skyscrapers and a Geodesic Dome** big enough for all campers to sit inside. Then the mad machines start...build your own catapult, sonic race car and much more to take home from this Awesome Camp. This camp is a Sonic Blast! Presented by Mad Science.

<b>Amusement Park Roller Coasters &amp; More</b>	<b>July 13 - July 17</b>	<b>Ages 7-12</b>	<b>9:30 AM-12:30 PM</b>	<b>\$170*</b>
			<b>1:30 - 4:30 PM</b>	

Build some of the most mind-blowing and electrifying amusement park rides you have ever seen! Work together to assemble an amazing construction that can tower to over 4 feet tall. Discuss, plan, and form sensational rides just like real engineers. Learn how roller coasters work, the basic physics behind them and experience some real thrill and fun as you see your finished creation in action. At the end of the week you will have helped build an entire exhilarating theme park. Take home projects included. Presented by Minds in Motion.

<b>Space: Infinity &amp; Beyond</b>	<b>July 20 - July 24</b>	<b>Ages 7-12</b>	<b>9:30 AM-12:30 PM</b>	<b>\$125*</b>
			<b>1:30 - 4:30 PM</b>	

Explore the mysteries of the solar system and the science behind air and space travel. Discover how astronauts get into space, but also how they live and work once they get there. Investigate unique flying machines, including building **boomerangs, balloon-copters, and a mini-hovercraft** as take home projects. Learn first hand about the aerodynamic properties of flying machines by **building your own model rocket!** **Experience live rocket launches!** This Mad Science Camp is Out of this World!

<b>Duct Tape Divas</b>	<b>July 27 - July 31</b>	<b>Ages 7-12</b>	<b>9:30 AM- 12:30 PM</b>	<b>\$90*</b>
------------------------	--------------------------	------------------	--------------------------	--------------

Duct tape isn't just for Dad anymore! Join in the latest crafting craze...design creative fashions and crafts that are sure to bring out your inner diva. From hot pink zebra stripes to funky tie dyes, there's no limit to what duct tape can do! Presented by FYI creations.

<b>Girls Rule!</b>	<b>July 27 - July 31</b>	<b>Ages 7-12</b>	<b>1:30 PM- 4:30 PM</b>	<b>\$90*</b>
--------------------	--------------------------	------------------	-------------------------	--------------

Girls Rule in this stylin' get-together where everyone is sure to have a blast! A fun-filled class of glitz and glamour where its great to be a girl. Spend the day in your PJ's at our "Slumber Party" or relax on "Salon N Spa Day" with do-it-yourself beauty treatments and pedicures. Craft a variety of fancy projects including make up bags, glitter body gel, lip gloss and more. Presented by FYI Creations.

<b>Solar Space Fleet</b>	<b>July 27 - July 31</b>	<b>Ages 7-12</b>	<b>9:30 AM- 12:30 PM</b>	<b>\$150*</b>
			<b>1:30 - 4:30 PM</b>	

Create 7 working models including a Space Station, Robot, Rover, Vehicle, Astronaut, Shuttle and Dog. Watch as they move around and speed up/slow down depending on the intensity of light as you learn, experiment and have fun with solar power! Models can also be powered by your very own mini rechargeable battery. Campers will also free build with robotic parts and control their robotic creations using remotes and engines to see which group can build the strongest and fastest robot. Take home projects included. Presented by Minds in Motion.

<b>MISSION TO MARS</b>	<b>Aug. 3 - Aug. 7</b>	<b>Ages 7-12</b>	<b>9:30 AM-12:30 PM</b>	<b>\$105*</b>
			<b>1:30 - 4:30 PM</b>	

Interested in space travel? Discover Mars and all of it's unique features and then design and build a robotic rover to clear the surface for a new colony. Research NASA's rovers and then work with motors, solar panels, sensors, remote controls and a wide array of other materials to create a robotic rover. Participate in a timed contest to see which group can clear the surface in the least amount of time. Have fun as you learn about astronomy, engineering, science and math! Presented by Super Science Programs for Kids.
