

A Special Program for  
Military Appreciation Month:

# SWEET GEORGIA BROWN

Impact, Courage, Sacrifice & Will

Very little is known about the black women known as the “ten-percenters” recruited to serve in the US Military during World War II. Join us during this Military Appreciation Month for an exclusive screening and historical discussion of this documentary by local filmmaker, Lawrence Walker, based on the book written by author Y’Hoshua Murray. Be a part of this historical moment.
