

Build a Rain Barrel Workshop FRANKLIN TOWNSHIP RESIDENTS

Spring is Here!

Rain barrels are used to store rainwater collected from your roof.

Monday, May 16, 2016
6:00 pm

Franklin Township
Municipal Building
475 DeMott Lane

Why Rain Barrels?

- Reduce stormwater runoff
- Reduce stress on wells
- Easily water gardens

\$35 to build a barrel

RSVP by May 13, space is limited!

Sarah Helble @ 908-730-0270 x233
