

BIRDS! BIRDS! BIRDS!

The Meadows Foundation is pleased to offer this enjoyable afternoon in one of our historic homes. Bring your binoculars! This program includes an outdoor bird-watching stroll.

Backyard birds provide an added element of color, movement and sound to your yard. Learn about the various birds that visit your backyard (seasonally and year-round), as well as various ways to attract them. The program will discuss feeders, houses, etc. that you can use to attract birds, as well as native plants that will help create a backyard wildlife habitat naturally.
