Local 101 Property Maintenance

The Township has several Chapters of the Municipal Code which addresses property maintenance. To name a few:

- Chapter 88: Brush, Grass and Weeds
- Chapter 94: Unfit Buildings
- Chapter 112: Land Development (includes sign regulations)
- Chapter 121: Numbering of Buildings
- Chapter 167: Noise
- Chapter 169: Nuisances
- Chapter 183: Property Maintenance

The entire Municipal Code can be found on the Township website, www.franklintwpnj.org/. A search by "keyword or phrase" or a specific chapter number make the site easy to use.

VIOLATIONS ARE THE PROPERTY OWNER'S RESPONSIBILITY

With any violation to any Municipal Code, there are specific requirements on proper notification to the property owner and the owner's ability to rectify the problem within a reasonable time. Only after going through the steps outlined in the code can the Township take formal action, such as cleanup, demolition etc. Before all the legal steps are taken, the Township does not have any authority to enter the property unless there is imminent danger to the public.

A lien is put on the property and added to the taxes for the cost to investigate, administer the situation, as well as the cleanup. In addition, the owner must pay fines as determined by the Municipal Court.

Questions and complaints should be filed with either Health (908-231-7155), Planning & Zoning (732-873-2500, ext. 6277) or Animal Control (732-873-2500, ext. 6255).

COMMONLY ASKED QUESTIONS AND COMPLAINTS AND APPLICABLE ORDINANCE

My neighbor never rakes his leaves.

There is no ordinance that requires the raking of leaves.

There is a house in my neighborhood with grass way over grown, and there is garbage, an old sofa, and junk all over.

All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. (Chapter 183-28E). All exterior property and premises shall be maintained in a clean, safe, and sanitary condition. (Chapter 183-28)

It looks like a used car parking lot next door. Any limit to the number of cars and where they park?

No inoperable or unregistered motor vehicle should be parked on any premise. Vehicles should be parked only on driveways or designated parking areas made of blacktop, concrete or stone. Grassy areas shouldn't be used for parking. (Chapter 183-28K-L)

In addition, the Code specifies the legal number of occupants per building based on space and sleeping and sanitary facilities. It requires the registering of all rental units. The owner-landlord could be fined the cost of school tuition if a non-resident is found to live in the building and sending a child to the Franklin schools. (Chapter 183-12E, Chapter 183-16)

On Saturday, September 24, the 3rd Annual Franklin Day Festival will once again bring live music, artists, craftspeople, cultural performances, amazing food from premier food vendors, fun games, children's activities and more to Colonial Park. As in years' past, this festival is a wonderful day for our community to get together and enjoy what our Township has to offer. Residents and visitors are encouraged to bring a lawn chair or a blanket to relax, have fun, and enjoy a picnic in the park in a beautiful scenic setting. We've added cultural performances that are scheduled to take place throughout the day, and also expanded our family fun with the addition of more free activities and entertainment such as miniature golf, paddleboats, bubble soccer, pony rides and inflatable games. The event runs from 12 noon-5 p.m., and admission is absolutely FREE!

Interested in participating as a vendor? Sign up NOW as we only have a few slots available. Be sure to visit www.franklintwpnj.org/FranklinDay for up-to-date information.

Continued from page 1 - Property Maintenance

I can hear the music playing from the townhouse several blocks away.

Prohibited is any excessive sound that is a hazard to the public health, welfare, safety and the quality of life. Sound measurements can be made to determine if they exceed 80 decibels. (Chapter 167-5)

How early in the morning can I cut my grass and blow the leaves?

Prohibited is any noise from any noncommercial power tools and landscaping equipment between the hours of 8 p.m. and 8 a.m. Commercial power tools and landscaping equipment cannot be operated within 250 feet of a residential property line between 7 p.m. and 7 a.m. on weekdays and 6 p.m. and 9 a.m. on weekends. (Chapter 167-6)

There is a house down the street that is in bad repair. The gutter has fallen down, the garage door doesn't close, and there are broken windows.

The exterior of a structure shall be maintained in good repair, structurally sound, and sanitary so there is no threat to the public health, safety and welfare. (Chapter 183-29)

The neighbor has a lawn service that blows clippings into the street, which eventually end up in front of my house.

Sweeping, raking, blowing or otherwise placing yard waste that is not containerized into any street is prohibited. (Chapter 183-32A)

My neighbor's dog likes to bark at every passing person, car, and squirrel. It is annoying.

Dogs should not be barking for more than 10 minutes consecutively or intermittently for 30 minutes, unless the dog is provoked. (Chapter 115-17)

I noticed some houses don't have street numbers Do they need them?

Chapter 121-3 requires that all houses have street numbers. The number should be at a point near where the driveway enters the street or where the number is easily visible from the street, or both.

Signs, signs and more signs on street corners and light poles. Some are from the Township, others from non-profits, and others from those buying houses. Do they need permission? And how long can they be put up before the event or stay after it is over?

Before any signs are put up, they should contact Vince Dominach in the Planning/Zoning office, vincent.dominach@twp.franklin.nj.us, or 732-873-2500 (ext. 6274)

Fireworks a 'BOOMING' success!

On behalf of the Franklin Township Fireworks Committee, we would like to thank everyone that came out to the Independence Day Celebration on Friday, July 8th to participate in a great Township tradition.

A special thanks to the following contributors who made the 2016 fireworks display and entertainment a success, at no cost to the Township residents:

Adams, Buchan & Palo LLC	Law Office of Charly Gayden
Appraisal Consultants Corp.	McEnery, Brady & Co.
Arcari & Iovino Architects PC	MICRO Corp.
Briar Manor Developers LLC	Novel Laboratories Inc.
Buist Incorporated	Oticon, Inc.
Carroll Engineering Corporation	Praise Presbyterian Church
CME Associates	Rajiv Prasad
DeCotiis, Fitzpatrick & Cole LLP	Resta's Car Care
Dennis A Auciello	Revelation Coaching Services

Hatch Mott MacDonald	Trap Rock Industries
Hodulik & Morrison, PA	VanCleaf Engineering Assoc.
House Food America Corporation	Venus Jewelers & Gemologists
Investors Bank	Wilentz, Goldman & Spitzer, PC
Joy Systems	

The Township's fireworks display is an expensive event. Each year the cost of this event increases and we need your support to ensure that future displays can continue. Raising the funds to help offset the cost can be a challenge. However large or small, your contribution will ensure that Franklin's spectacular Independence Day fireworks celebration will continue for years to come!

If you would like to contribute to next year's Fireworks Celebration, please send your tax-deductible donation to:

Cultural Arts Council Working For You

The Franklin Township Cultural Arts Council (FTCAC) is an active and vibrant community organization that creates innovative programs designed to strengthen the Franklin community through the arts. The newly elected FTCAC Steering Committee is looking forward to a fun and productive year of art events that celebrate and utilize the many gifts and assets of our diverse community.

Contact the FTCAC Chair, Michael Steinbruck at michael.steinbruck@gmail.com or (732) 754-5649 if you are interested in supporting the performing, visual and/or literary arts. The FTCAC is self-sustaining and relies on fundraising to run programs. Free-will donations are always greatly appreciated.

To learn more about the FTCAC, visit their website at www.FranklinCAC.org or their Facebook page at www.facebook.com/FranklinCAC. You can join their mailing list on the website homepage to stay connected to FTCAC activities.

SECOND LIBRARY LOCATION

Did you know that the Franklin Township Public Library has a branch in Franklin Park? The Franklin Park Branch is located in the Franklin Towne Center, 3391 Route 27 South. Patrons can access free Wi-Fi, use one of the library's public computers, and browse the branch's collection of popular books, magazines, books on CDs, music CDs, DVDs, and Blu-Rays for adults, teens and children. If you cannot find what you are looking for at the Franklin Park Branch, simply use the library's online catalog, www.franklintwp.org/ibistro.htm, to place a hold on the title. Then, pick it up at the Franklin Park Branch when it is available. Library materials that have been checked out from the main library on DeMott Lane can be returned at the Franklin Park Branch, and materials checked out from the Franklin Park Branch can be returned to the main library.

The Franklin Park Branch offers library programs for all ages. On Monday mornings, staff offers rhyme programs for young children held at 10:30 am and 11:30 am, and on Wednesdays during the summer teens can learn how to knit or crochet at the Young Adult Yarn Club (Y.A.Y. Club). Be sure to check www.franklintwp.org for all of the exciting programs being held at the branch this summer.

**The Franklin Park Branch's phone number is
732-873-8700, ext. 5.**

Forget the Rest, Get the Best! CHECK OUT FRANKLIN'S FARMS

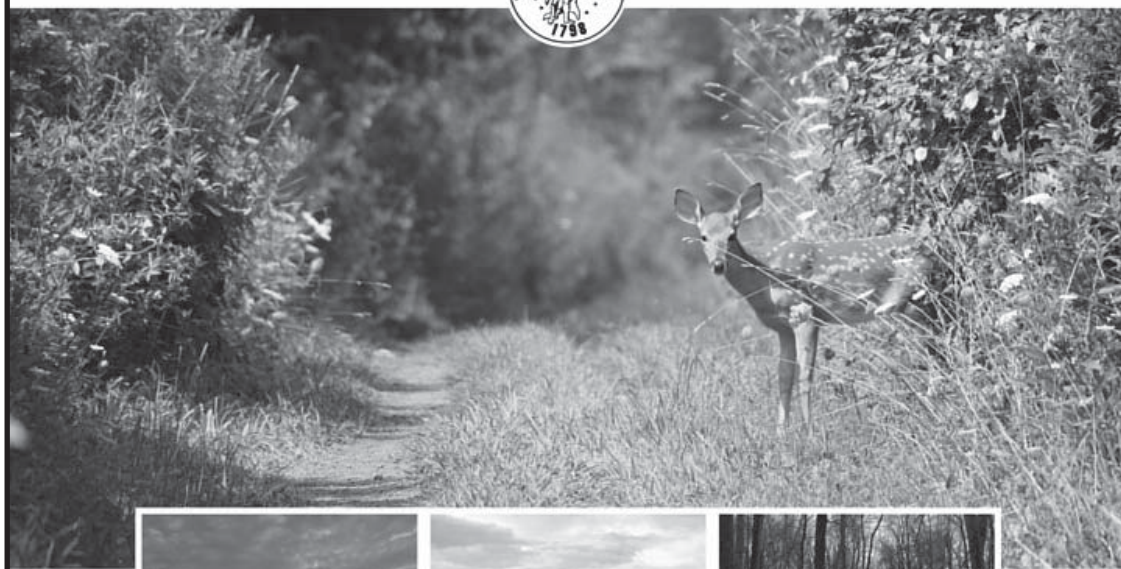

Franklin Township is proud of its farming heritage. The town has preserved over 1,100 acres of farmland which is in private ownership. In addition to state and township-owned open space which is leased to farmers, there are additional smaller farms that operate in town.

Over twenty of these farms sell directly to the public. Franklin Township encourages its residents to "Buy Local", buy farm products from local producers, helping them continue to farm and aiding the local economy. We here list these farms and what they sell. (Before visiting them, please check when and what hours the farm is open for business, via their web site or phone.)

We also encourage residents to buy Jersey Fresh.

Frequently Asked Questions?

Why can't we rake our leaves into the street? It sure would be easier than putting them into bags. I've seen other towns doing it.

Several years ago, the New Jersey Department of Environmental Protection issued new regulations which prohibit leaves from remaining in public streets for more than seven days. It would be nearly impossible (and very costly) for a Township of our size to schedule leaf collection under this deadline. Leaves left in the street could result in a \$100 fine under the Township's litter ordinance.

Where do I donate eye glasses?

There is a box at the Community/Senior Center, 505 DeMott Lane.

I have a lizard I can't keep any more. What should I do with it?

Call the animal shelter, 732-873-2500 ext. 6255, and surrender the animal for adoption.

What size shed requires a permit?

All sheds need zoning approval. However, a construction permit is required only if the shed is more than 100 square feet in size.

ATTENTION FRANKLIN TOWNSHIP HOMEOWNERS

Have you done work in your home and you didn't know (or weren't quite sure) you needed a construction permit? Or do you feel a prior owner did work without permits and you don't know what to do?

If you answered yes to any of the above, please stop by our table at the Franklin Day Festival on Saturday, September 24, 2016 from 12 noon to 5:00 pm and talk to us about your concerns.

Here at the Construction Department, SAFETY is our primary goal! If it turns out that permits were required on a particular project done in your home, we will be offering amnesty on any **penalties** that may apply. In order to be eligible, you must register with us on Franklin Day, and you must apply for the appropriate permits by October 24, 2016.

Please remember that the amnesty program only applies to current Franklin Township homeowners for work done in your home and does not apply to any violations that have already been issued.

~ HELP KEEP FRANKLIN'S WATER CLEAN ~

Stormwater pollution is one of the greatest threats to clean and plentiful water. Pollution on streets, parking lots and lawns is washed into drains or ditches, and then into our rivers, lakes and the ocean. It's easy to do your part in keeping pollutants out of stormwater. Here's how:

CLEAN UP AFTER YOUR PET - Pet waste is not only a nuisance; it can be washed into drains and streams and can cause sickness if it gets in our water supply. The Township Pet Waste Ordinance (Ord. #806) addresses proper disposal of pet waste.

DON'T LITTER! - Trash tossed into the street gets swept up in a storm and ends up in our waterways. Township Ordinance #1478 deals with littering.

PROPERLY DISPOSE OF HAZARDOUS WASTE - Cleansers, lawn products, motor oil, batteries, and paints are among the many items in your home that contain hazardous ingredients. Dispose of these items at the proper location, such as at the Somerset County Recycling Center. Chapter 183 of the Township Code (Property Maintenance) covers the proper disposal of waste. **Remember that consumer electronics must now be recycled!**

DON'T FEED WILDLIFE - The feeding of deer and other wild animals creates waste that can be washed into our water supply. Township Ordinance #3254 deals with wildlife feeding.

PROPERLY DISPOSE OF YARD WASTE - Don't rake or blow leaves and grass into roadways and storm drains. Public Works collects leaves in brown paper recyclable leaf bags during Mondays in the fall. Chapter 183 of the Township Code (Property Maintenance) covers the proper disposal of yard waste.

ILLICIT CONNECTIONS TO STORM SEWERS - It is illegal to discharge domestic sewage or industrial waste into a storm sewer. Chapter 183 of the Township Code (Property Maintenance) deals with illicit connections.

KEEP CONTAINERS & DUMPSTERS COVERED - Keep all garbage containers covered and prevent them from overflowing and leaking. Township Ordinance #3861-10 covers refuse containers.

PRIVATE STORM DRAIN INLET RETROFITTING - If a business or homeowner's association is resurfacing or making alterations near drainage structures, they are required to upgrade to eco-friendly inlets with restricted openings. Township Ordinance #3862-10 deals with inlet retrofitting.

Shade Tree Commission (Updates, Happenings, Events)

9th Annual Tree Sale Spring 2017

While exact pricing and sizes are not yet established, we anticipate the following trees will be offered:

Shade Trees

Red Maple (Acer rubrum) - Red Sunset

London Plantree (Plantanus x Acerifolia) - Exclamation!

Ornamentals

Dogwood (Cornus x Kousa) - Venus (Rutgers hybrid)

Japanes Lilac Tree (Syringa reticulata) - Ivory Silk

A confirmed list with ordering information will appear in both the next issue of the Franklin Times, as well on our website.

Emerald Ash Borer (EAB), Agrilus Planipennis

Do you have an ash tree on your property? Is it infected? What is it and what can I do about it? Unfortunately, this imported destructive pest has now been sighted in central New Jersey. While the adult beetles nibble on ash foliage and cause little damage, the larvae (the immature stage) feed on the inner bark of ash trees, disrupting the tree's ability to transport water and nutrients. Death may follow. Keep checking our website with links for helpful information.

Planting Trees this Autumn?

Besides planting our bare root stock next spring, autumn is also a great time for planting trees you buy locally. Want to know the proper way to plant? Check our website for printable instructions.

We Want You!

Our open volunteer position is looking for you.

Come Meet us at the Franklin Day Festival

Looking forward to seeing you at the Township's tent. Look for our Tree Sale sign.
